Dear Mr. Jackson:

This is in reply to your memorandum of November 28, relative to the designation of liaison officers in which the Central Intelligence Agency indicated its acceptance of the liaison designations proposed by the Department of State in my letter of November 2, 1950.

The Department of State is pleased to accept the liaison designations proposed by you and concurs in the understanding that the relationship between the Central Intelligence Agency and the Department of State will be reviewed from time to time to determine the efficiency and appropriateness of the arrangement. It is gratifying to note that the Central Intelligence Agency will extend every effort to cooperate with the administrative control officer in the Department of State in establishing a sound working relationship so that administrative requirements can be securely and promptly met. I wish to assure you that this is the aim and purpose of this Department, and we will at all times welcome any suggestion or comment concerning ways of improving our service to the Central Intelligence Agency.

A copy, signed on behalf of the Department of State, of each agreement is returned herewith for your files.

Sincerely yours,

Carlisle H. Humelsine
